JOEL ANDERSON

SENATOR

THIRTY-SIXTH SENATORIAL DISTRICT

February 6, 2013

To whom it may concern:

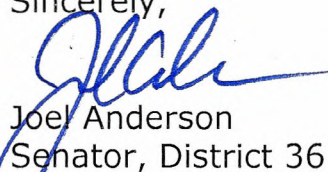

From October 2012 through January 2013, David Hodges completed 130 hours of service as a legislative intern in my El Cajon District Office. He demonstrated his ability to manage his time effectively and fulfill his assigned responsibilities.

David assisted the office in multiple areas including constituent outreach, which includes phone calls, research and written responses. He listened to these constituents, many of whom found themselves in very difficult situations, and worked to help them resolve their concerns.

A special project that David was asked to lead was the production of a video documenting many of the events, issues and causes our office has been involved in over the last year. It was a tremendous hit at our open-house. David put in many hours of work on this video and it was appreciated by all of my constituents that had the opportunity to view it.

I believe I speak for every member of my staff when I say that it has been a pleasure to have David Hodges on our team. His talents, creativity, and strong work ethic will make David a success in his future endeavors.

Sincerely,

Joel Anderson
